Dear Denise

Provision of ante-natal services in Hurstpierpoint

I am writing on behalf of the Parish Council regarding the provision of local ante-natal clinics and services.

Concerns have been raised recently that local people are expected to attend clinics at Princess Royal Hospital in Haywards Heath, which is both inconvenient and time-consuming. The Hurstpierpoint Health Centre facilities are clearly substantial, and our question is therefore to ask whether some ante-natal services could be offered in Hurstpierpoint. If this is not possible, then we would like to understand the reasons.

Thank you for your help in this matter and I look forward to hearing from you.

Yours sincerely

Stephen Hoyles
CLERK TO THE COUNCIL
